Noted to the Dewan through the 2nd Cr.

Muzrai Secretary's Remarks.

I inspected on the 14th instant the locality in which a temple of Sri Subramhanyaswami is proposed to be built by certain devotees. It is situated at some distance to the west of the main temple of Sri Chamundeswari, and the new temple which it is proposed to build on a rock will, in my humble opinion, add to the beauty of the locality.

On enquiries made by me of the temple servants and the Agamik, I was informed that there was no objection to the construction of the proposed temple. The Palace Controller to whom I spoke on the subject, has also no objection

A draft approving of the Deputy Commissioner's action is put up.
